Bob-

This fax includes my Motion to Dismiss, Motion to Appoint an Expert Computer Examiner, Motion for Discovery and a copy of the subpoena that was quashed but, the Judge said she would issue an order because it's a company in Canada. I was hoping to go in ex parte and get the order done if you don't object, so let me know if you're objecting. I'll be on vacation but my office will still be up and running so call and they'll relay messages to me. Thanks. - Nick
